B. DISCUSSION: Board Commitments and Attendance

C. ACTION: Bylaws Review
The board reviewed proposed changes to the current bylaws, which would revise the name of the organization from International Hispanic Network to Local Government Hispanic Network. Additionally, language was revised to require board members to attend at least 9 of 12 meetings in a calendar year. Magda Gonzalez moved approval of the revisions; Ramiro Inguanzo seconded the motion; the motion was approved unanimously.

D. LGHN Conference Program
Samantha Tavares provided updates on the conference schedule, budget, and preliminary/suggested list of speakers. The board asked for a chapter roundtable to be added to the conference agenda on Thursday before the conference starts. This would allow existing chapter representations to meet and exchange ideas and provide support to other regions that are looking to start chapters. They also asked for a soccer match to be added to the activities. The Phoenix committee sent a request for speakers to the LGHN and ICMA membership, as well as brainstorming a list of potential speakers. The board reviewed and provided feedback for the committee. Additional suggested speakers include Alex Briseno who would speak on the “Ten Tenants of Leadership” and student representatives from Parkland, FL. The “Women leading Government” session was changed to “Women of Color in Government” (focused on unique challenges). A session on generational changes in the Hispanic culture was also recommended (Chicano/Latino/Hispanic, etc. designations).
E. LGHN Regional Conference Programs.
   
   Claudia Lujan provided an update on the El Paso regional conference. For 2018, the Florida and Texas events are the only regional meetings scheduled. The board should begin to look at 2019.

   Karen Davis provided an update on fundraising, some of which was proved in the Phoenix conference packet. It will be necessary for the fund development committee to meet and finalize a plan for further discussion.

G. Budget Update
   
   Karen Davis provided a revised budget reallocating the approved budget into more descriptive categories. Funding categories/purposes were not changed from the approved budget.

H. Committee Updates
   
   No committee updates were provided.

I. Other
   
   The board discussed the joint efforts by LGHN and NFBPA to provide comments to the ICMA Executive Board regarding diversity in the ICMA membership and on the board. The board concurred that the recommendations should include both short- and long-term recommendations. Some suggestions included broadening voting membership, look at upcoming eligible states and reach out one year in advance, consider having the ICMA executive board reflect the membership categories in ICMA, clarifying that “non-CEO’s” are eligible any year and look at the “can’t follow” rule.

By my signature below, I agree to be an active and productive member of the LGHN Board of Directors.

As part of my responsibilities as a board member:

• I will be an ambassador of good will for LGHN and I will promote LGHN’s values and programs to the community, the region and nationally. I will promote networking among Hispanic/Latino local government officials and those local government officials working in communities with significant Hispanic/Latino populations.
• I will attend at least 9 of 12 board meetings, including the board retreat, at least 75% of the time. Board meetings are held the first Friday of each month at 9:00 pacific, 10:00 mountain, 11:00 central, 12:00 eastern time zones. Board members should make every effort to attend the annual board retreat as is the only in-person meeting of the board.
• I will mentor new board members.
• I will actively chair, co-chair and/or participate in established and special committees.
• I will identify opportunities for fund development.
• I will serve as a coach for the Madrina/Padrino program.
• I will actively recruit new members from my region, at conferences and at regional meetings.
• I will promote LGHN within my region and develop active membership.
• I will promote LGHN through social media.
• I will pay annual board dues of $250 or through local government membership for my organization ($750 for small local governments; $1,500 for large local governments). I will encourage my local government to be a local government member of LGHN.
• I will pay board dues within 30 days. I understand my membership and service on the board will be suspended if dues are not paid within 90 days per the LGHN bylaws.
• I will actively participate in Network events and activities and participate in regional events.
• I will assist with conference planning and planning regional workshops/seminars.
• I will represent LGHN at conferences in proximity to my region.

LGHN will be responsible to me by:

• Responding to questions I have about the organization, procedures and activities. I can request a meeting with board members or staff regarding my questions and concerns.
• If LGHN does not fulfill its commitments to me, I can call on the board president and executive director to discuss these responsibilities.

ICMA Board and Membership Diversity Discussion Points

Issues/Findings
- Rotation rules are complicated/not easily understood
- Look at the “can’t follow rule” in each region to make sure that it is not overly exclusive of states that have significant members of color.
- The ultimate goal should be to have the makeup of the executive board reflect the communities served by ICMA membership by increasing the ethnic, gender, etc. diversity within the ICMA membership (current goal).
- With the addition of the director level membership category, lower cost memberships have increased the diversity of ICMA but none of them are eligible to serve on the ICMA board because they are not considered voting members. Consider having what are now non-voting members be eligible for the board, and/or they could be reclassified as voting members.
- There is a misconception or misunderstanding on the part of some members that a non-CEO is eligible to serve only in a non-CEO year.

Strategies
- ICMA needs to have both a “short-term” and a “long-term” strategy to have credibility with current and potential members that significant effort is being done to address diversity and inclusivity.
- Short term strategies could include:
  - In 2019, ICMA regional conferences should include facilitated discussions to discuss increasing diversity in the ICMA membership and maintaining diversity on the board. The regions and states should be encouraged to set up goals and guidelines for addressing the diversity issues. Solutions may vary from region to region. The discussions should include:
    - Look at membership classifications to see if they can be revised to increase the number of people of color who are eligible to serve on the board.
    - Discuss the “do not follow” rule with each region to increase the awareness of the impacts on ensuring a diverse pool of candidates and engage each region in addressing the issues based on their unique situations.
    - Ensure that affiliate organizations are included on regional committees, discussions, etc.; coordinate with ICMA regional staff
    - A plan for working with states to set guidelines and goals and increase their accountability. Assist in identifying potential candidates and work with the candidates to be ready to serve (both a short- and long-term strategy).
    - On an annual basis, identify which states are eligible based on the region’s rotation and reach out a year in advance to work with them to encourage them to include diversity in their discussions/considerations.
  - Affiliates reach out to states to strengthen relationships
  - ICMA to present training/conference sessions for potential ICMA board candidates/future candidates at all ICMA (national and regional) and affiliate conferences.
    - How to self nominate, what are the expectations, responsibilities, etc.
  - PM Magazine article
- Long term strategy could include:
  - Continue working with student chapters to build the future of the profession. Need to bring in LGHN, NFBPA, I-NAPA more directly.
  - Educate managers on the importance of local government support for voting memberships in ICMA. Many only pay for the top officials and lower level managers cannot afford that level of membership on their own.
