A. Call to Order/Roll Call/Welcome

Roll call was conducted and eight voting members were present, a quorum was established.

B. ACTION: Consent Agenda – Receive and Approve

1. Minutes for Board Meeting of April 6, 2018
2. Minutes for Annual Membership Meeting of May 18, 2018
3. Board Meeting Attendance Report for 2017/18

Claudia Lujan moved approval of the consent agenda, Veronica Briseño seconded the motion; the motion was approved unanimously.

C. DISCUSSION: LGHN Value Proposition

Rolando Fernandez told the board that this will be a standing board agenda item. He asked the board to continue to work on the value proposition as a way to increase LGHN membership and set a challenge goal of 1,000 members. He suggested looking at ideas from other groups enhancing the LGHN value each month.

D. DISCUSSION: Board Commitments

Karen Davis reminded board members that they should submit their signed board commitments as soon as possible. She also announced that Tommy Gonzalez has resigned from the board. The nominating committee will be meeting to identify potential candidates and make a recommendation to the board at the July meeting.

E. DISCUSSION: 2019 LGHN Board Retreat

The board discussed the need to set a tentative date and location for the 2019 board retreat so that members could plan for travel costs as part of their FY 2019 budget. The board selected Evanston, IL as a location in late March or early May. Paulina Martinez will look into option for the retreat.
F. DISCUSSION: Opportunities for LGHN, NFBPA and NACA Collaboration

Tim Hemstreet, County manager in Louden County, VA and President-Elect of NACA, would like to work with LGHN and NFBPA to identify how to strengthen the relationship between ICMA affiliates and establish a specific role for activities in ICMA. One-third of counties have professional management and they want to grow that number. They would like to work on equity and inclusion issues and make NACA more inclusive. Ray Gonzales agreed that there is little county manager involvement in ICMA, and Claudia Lujan said that this was consistent with conversation she is having with the El Paso County Manager. The board also said they wanted to look at the sessions at the Phoenix conference to make sure there is good representation by county managers. The board appointed a subcommittee of Ray Gonzales, Claudia Lujan and Ramiro Inguanzo to work with NACA. Karen Davis will follow up with NACA to schedule a meeting. NOTE: Tim Hemstreet asked to schedule the first meeting after the NACA board meeting in July when he will become NACA President.

G. Committee Reports/Updates

Claudia Lujan reported that she needs two volunteers to assist on the civic engagement committee. Veronica Briseño and Paulina Martinez volunteered. Karen Davis reported that the fund development committee – Dave Mora and Frances Gonzalez – met and are ready to move forward on soliciting funding for scholarships to attend national conferences and training. The board concurred with a request that the commit develop criteria for awarding the scholarships.

Describe nominee’s career path/positions held.
A native of Phoenix, Aubrey possesses over 13 years of professional experience with the city of Phoenix in planning, community development, grants administration, program management and community engagement. Aubrey achieved significant professional milestones very quickly due to her commitment to excellence in her job performance, ability to effectively work with all levels in the organization and the community, lead a team to perform, and motivate her team to provide excellent service to our community. She recently accepted an executive promotion as the Community Affairs Director for Phoenix Police. She currently serves as the Deputy Director of the Neighborhood Revitalization Division and leads a division of 30 people to provide quality and safe housing to Phoenix residents and to enhance the overall value of its neighborhoods. She manages nearly $10 million in federal, state and locally funded programs that provide struggling families of diverse backgrounds with opportunities to improve their homes or become homeowners. She also leads programs that provide low-to-moderate-income small businesses with assistance to stimulate commercial development. In a city of 1.6 million residents, covering a service area of 519 square miles, this is a huge undertaking that has a powerful impact on our local Latino community. She has also served as a Management Assistant II and Project Manager within Neighborhood Services, and Planner I and II for the Planning and Aviation Departments. Her diverse career and external professional contributions brings a multi-dimensional approach to leadership and problem solving, particularly with difficult issues that do not have a singular solution.

Describe the nominee’s commitment to his/her profession and contributions to the LGHN organization and mission.
Aubrey has been an active member of the PHN Board of Directors since helping lead the resurgence of PHN in 2014. At that time, she worked to create an updated mission and vision for the previously idle organization and garnered both grassroots and executive-level support to build PHN into the booming 300-member organization it is today. She has served as the Secretary of PHN and chaired the Membership Subcommittee and is currently a Member at Large. Aubrey has assisted in producing more than two dozen PHN events, including a one-day conference that brought in more than 220 attendees and featured presentations by local business and government leaders and influencers. Aubrey did what she asked of others; she recruited her fellow Deputy Directors and Director in NSD to join PHN and actively participate in its events, which we eagerly supported due to her enthusiasm and commitment. Aubrey took her role as PHN Secretary very seriously, coordinating and scheduling all meetings and taking diligent minutes despite her demanding regular job responsibilities. Aubrey kept PHN organized by managing organizational charts, PHN by-laws, and event planning coordination meetings where PHN plans its entire calendar of events for the year.

Describe the nominee’s commitment and contributions to regional, state and/or national professional associations.
Aubrey is also an active Local Government Hispanic Network (LGHN) and International City/County Management Association (ICMA) member and has attended several ICMA conferences. With the 2018 LGHN coming to Phoenix in October, Aubrey is deeply involved in the conference planning. She currently serves as the co-chair for the Volunteer Subcommittee, assisting in organizing volunteers for the three-day conference. She consistently attends monthly conference planning meetings and actively contributes to conference discussions and decision making. She also serves as a Board member of the Helping Phoenix Neighborhoods, mentor in NSD Mentor program, and member of Women in Leadership Mentor Program Committee. Her work in developing and championing NSD’s Mentor Program enabled numerous employees to grow professionally. This program was so well received by employees, that the Women in Leadership sought her expertise in using her model to implement citywide. She is a Certified Public Manager and certified Housing Development Finance Professional.
Describe how the nominee’s has demonstrated leadership in the nominee’s organization and/or community.
As a leader, Aubrey creates a clear vision, communicates effectively with her employees and stakeholders, and focuses on problem-solving and positive results, always making sure to provide appreciation for a job well done. Her commitment to excellence and professionalism is displayed daily resulting in a high performing team. Aubrey became a Deputy Director in NSD when the department was at the height of its turmoil and transition. Through her leadership, Aubrey shaped her team into a group that provided excellent services to underserved persons needing housing rehabilitation, revitalizing deteriorating communities and creating opportunities for affordable home ownership. Her leadership showed while working with the Eastlake and South Phoenix Village neighborhoods, which are underserved with minority populations. She has greatly improved these communities' access to Phoenix services and provided transparency and open communication. She is an effective collaborator and has strong relationship-building skills. Her staff notes that her leadership has been “a breath of fresh air to the division she leads.” As a sign of the fruit of her efforts, the South Phoenix Village will soon break ground on 121 energy-efficient single-family homes for homeownership that come with $15,000 in home buyer assistance per home.

What other personal or professional characteristics would distinguish the nominee as an “emerging leader?”
Aubrey is an authentic, honest, humble and professional City of Phoenix leader who inspires others to follow her example. One of her greatest professional characteristics is her ability to not only gain her employees’ trust, but also to fully trust and empower them to bring solutions to the table. She also has the trust and confidence of her peers and Director who have watched her tackle challenging issues head on with diplomacy, character, empathy and extreme competence. She is an extraordinarily kind person who truly has a servant’s heart to lift the lives of those who are vulnerable or economically depressed. She represents the next generation of leadership that the Phoenix community needs. Aubrey is an excellent advocate for the mission, vision, and values of NSD and PHN.
