

Aubrey Gonzalez serves as Special Assistant to the City Manager working in the Police Department in Phoenix, AZ. In this role she promotes engagement and communication with city management, the police department, and the community, working to mediate and resolve misunderstandings and approaches to resolving problems among communities of diverse social, economic and ethnic backgrounds. Prior to this position, Aubrey served as Deputy Director of the City's Neighborhood Services Department as well as other management positions in the department. Aubrey has achieved significant professional advancement in her more than thirteen years with the City due to her commitment to excellence in her job performance, ability to work effectively with all levels of the organization and the community, and her ability to motivate her teams. She is an active member of the Phoenix Hispanic Network (PHN), LGHN, and ICMA. She serves as a board member of Helping Phoenix Neighborhoods, PHN and as a member of Women in Leadership
